

CREDO

1. The mission and vision of St Helena Bay Business Chamber is to serve the interest of its members and to deliver meaningful business opportunities for its members.
2. The St Helena Bay Business Chamber is an institution that aims to facilitate networking between organisations in the area, mobilisation of knowledge to promote relationships between businesses and residents with the aim to create economic prosperity for all inhabitants.
3. The Chamber believe that the talent, creativity and diversity of our human capital are our greatest assets and resources. The Chamber emphasises teamwork because together we are smarter, more dynamic.
4. The Chamber believes in doing the right thing and treating people fairly and with dignity. Integrity and honesty are the foundation and cornerstones on which the chamber environment and actions are based.
5. The Chamber takes its members and their interests as well as those of the community seriously.
6. The Chamber is passionate about what it stands for and take pride in its achievements.
7. The Chamber has a responsibility towards its members and the community. Everyone must be valued and considered as an individual, we respect their dignity and recognize their contributions.
8. The Chamber is a good corporate citizen and members have a responsibility towards the communities in which they live and do business in.
9. Members have a responsibility and are accountable towards their co-members and undertake to always act ethical and with integrity
10. At the Chamber we are prepared to walk the extra mile because we walk the talk.

I, the undersigned, agree with the contents and values of the Credo of St Helena Bay Business Chamber, its Constitution and Code of Conduct and undertake to always act accordance therewith.
